Instructions:

1. During removal please keep the root ends of the strands aligned in the same direction so all bonds are together. Secure with a rubber band 1" down from root ends.
2. When bundling the strands you can group them according to how you wish to receive them. Use color rubber bands to keep your strands grouped according to the area of placement.

For example:

Tip Size: Large
Strands: 30
Area: Nape
Color Code: Red

(Please remember the strands or group of strands must be aligned with bonded root at the top and tightly secured before shipping the hair to us for re-tipping.)

3. Brush the hair smooth and package with this completed order form. Upon receipt we will contact you and confirm your order.

Prices and Terms:

All lengths, any tip size: \$0.75/strand

Delivery time: Upon receipt, 4 business days until it is ready for return shipping.

a. Expect approximately 0.5" loss in length, depending upon your removal technique as we must cut off all traces of old bond.

b. Bundles, groups of strands, will be returned as received.

c. It is recommended that you weigh the hair prior to sending it for retipping to be assured you are receiving the same amount of hair in return.
