### Russian Hair Definitions

*100% Remy:* Also known as "Remi." All strands are aligned with roots at the top of the bundle, with all cuticles running in the same direction.

*100% Single Drawn:* No short hairs have been removed. Bundles contain lengths from 3" to finished length.

*50% Single drawn:* 50% of short hairs have been drawn out, leaving fuller & thicker ends (10" length will contain short hairs starting at 5").

*75% Single drawn:* Shorter length hairs start at 75% of finished length (10" length will contain short hairs starting at 7.5").

*Braids and/or Ponytails:* Unclean raw hair that has not be tangle tested.

*Finished Bundles:* Each bundle has been drawn with roots aligned and ends trimmed.

*Mixed Colors:* Russian virgin hair colors are commonly dark blonds to light browns. Less common, but occasionally available colors include darker browns, lighter blonds and some reds.

*Various Colors:* Dyed stock bundles come in a range of colors from ash colors, suitable for men's hairpieces, to natural browns and blonds that closely match common color ring shades.

*Mixed Textures:* Russian hair is a combination of straight and slight waves with some thick and some body-wave textures.

*Slight Wave:* Hair (usually Russian) selected for bleaching, cuticle processing and/or dyeing. It is straight or slightly waved in texture.
